Our Story...

RJFS WELCOMES YOU TO LILLIAN'S CAFÉ

Lillian's Café, under the auspices of Rockland Jewish Family Service (RJFS), is a kosher dairy café (under Rabbinical Supervision), preparing and serving food that is fresh, convenient and delicious, with menu items including vegan and vegetarian diets, and many gluten free options. We believe in using fresh, wholesome ingredients and take pride in each meal served. Our menu includes salads, our Tiki Salad Bar, hot and cold sandwiches and wraps, daily soups, desserts, smoothies and coffees and specials. We also provide a catering service and take home Thursday dinners which must be ordered on Tuesdays.

Lillian's Café is a unique, non-profit program designed to employ individuals on the Autism Spectrum. RJFS provides job training, supervision and real work experience to enhance the strengths and potential of each member of our workforce. Our employees hold themselves to the highest standard of food service and customer relations. These skills will translate to future career opportunities in hospitality, food service, business and other ventures.

Lillian's Café was named after Lillian Adler z"l, a past President of RJFS and many other community agencies over the years; a woman of great valor, dedication, commitment and full-hearted generosity. She believed in building community while making the world a better place for all. ***It is with this spirit that Lillian's Café was conceived and now functions, providing an essential service to its staff and a wonderful food service option to the community.***

We know there are many places you can choose for a good meal, but when you choose Lillian's you get a great meal and the good feeling you get from helping others.

What could be better!
